SUBJECT: Amendment #H06, to amend the FY 2010-2013 Statewide Transportation Improvement Program (STIP)

Dear Mr. Hartman:

Funding for this new project comes from an offset of unused Obligation Authority from KN09771.

The Idaho Transportation Board approved amending the FY2010-2013 STIP in their May meeting and the KMPO Board approved amending the FY2010-2013 TIP in their July meeting:

Key No.	Project Description Route	Work Type Actual Cost	Fiscal Year
12281	Inland Pacific Hub Study	Study \$130,000	2010 NEW

No further public involvement is required nor is there any air quality conformity required. The KMPO Board approved these changes and has amended the MTIP at their July board meeting. The Idaho Transportation Department certifies that the above project action was in accordance with all applicable requirements as described in Section 450.218 of the Statewide Planning Regulations, dated February 14, 2007. The STIP continues to be consistent with the Statewide Transportation Plan as approved by the Idaho Transportation Board in July 2004 and remains fiscally constrained.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Matt Moore'.
